Animals received by For Pet's Sake will be treated for any illness or injuries before being transferred to a certified wildlife rehabilitator. The rehabilitator will care for the animal until it is able to be released. For Pet's Sake will do what is best for the animal while it is in our care.

For Pet's Sake treats wildlife on a donation basis. Any expenses for food, shelter, and medication must come from the private donations of those whose love of animals guides them to assist in the rehabilitation process.

By signing this form you are acknowledging that you are surrendering Georgia Wildlife to our facility.
